

Higher productivity. Better communication. More creativity.
Let's take your team to the next level.

This 2017 season we have an awesome selection of group wine tours available for groups. We will custom design a tour for you! We offer tours for groups for up to 20 guests! Here at Winesutra we believe that wine can build moral and what better way than to spend time with your co-workers outside of work learning about the **wine industry and the beautiful wine region**. Each one of these tours are customized to that specific corporations needs and what they are wanting to have accomplished with the team building event. Don't be shy if you have something special in mind, we will custom design a tour for you! **Contact us** if you're planning an wine-themed team building or entertainment at your next meeting or special event!

WineSutra Team Building will:

Motivate active participation
Generate enthusiasm
Improve communication
Involve creative problem-solving

Winesutra has created a special "menu" of wine specific team building events:

- Cooking with the in house Chateau Chef
- Wacky Wine Games
- The Blind tasting
- The Ultimate Chocolate Tasting, hands on events and much more.
